

Wanting to make this special day everything you've dreamed of, Sail Superior is happy to work with a company of your choice to make any decorating and set up as seamless as possible. Browse a list of local Wedding Planners and begin creating today! We'd like to help make this day as relaxing as possible so Sail Superior encourages visiting the venue before making a decision. Arrangements can be made for you to visit the boat prior to reserving the space in order to discuss venue information and layout.
